

Facility / Team Connection Form

So that we can offer visiting facilities and registered team’s an opportunity to connect, please fill in and return to info@nepetpartners.org. Your request will be posted in NEPP Connects, our e-newsletter that publishes every other month.

We do not deploy teams. This helps to locate teams in the area who have passed team evaluations at NEPP. You are responsible for contacting the team - and teams, the facility. We invite you to visit NEPP’s website.

It is important to clarify specific goals with the potential visiting team(s).
 Visit New England Pet Partners or Pet Partners Corporate for more resources.
